**Student Recovering From Pill Overdose**

WELLESLEY. — (UP) — College honor student Miss Sylvia Piath, 20, was reported in "good" condition today after taking an overdose of sleeping pills.

Newton-Wellesley Hospital attendants said the Smith College student, found in the cellar of her home Wednesday after she had been listed as missing for two days, was responding to queries put to her by physicians. However, authorities said she would not disclose what led her to take 40 to 50 sleeping capsules.

**AIR BASE ON KERGUELENS**

A French naval air base and a link between Australia and Africa is being set up on the Kerguelen Islands, far south in the Indian Ocean, 2300 miles southwest of Perth, Australia, and midway between Perth and Cape Town. The route through Kerguelen is quicker than the newly forged weekly air-mail link between the two continents via Cocos Island, Mauritius and Madagascar. French engineers are building two airports on the main island, 90 miles long and 45 wide. Hangars are to be dug into the hills of the picturesque archipelago.
