

Johnstown

Mixed Bowling Loop of Moose Slates Opener

Eight Teams Ready To Start Games; Practice Games Set

Teams were made up and plans discussed for the coming season last night at a meeting of the Johnstown Mixed Bowling League in the lodge rooms.

A practice match is scheduled Friday, Sept. 11, with the regular season to start one week later.

The teams and their players are:

- Fordham, Thelma Richmond, Bob Richmond, Flora House, Fred House and Fred Putman, Yale.
- Graves, George Laird, Mary Fichtinger, Paul Fichtinger and Goldie Yerdon.
- Cornell, Stephen Smolinsky, Francis Charles, Anna Maxian, Leora Miller and Everett Miller.
- Syracuse, Grace Vedder, Harold Gonyea, Madolin Frederick, Roy Frederick and Edward Brosiole.
- Columbia, Dorothy Samek, Ladislav Samek, Donna Trzaskos, Dick Trzaskos and Frank Stewart.
- Harvard, Beatrice Edick, George Edick, Dorothy Oare, Roy Oare and Clarence Oare.
- Colgate, Emily Wilson, James Wilson, Charles Van Alstyne, Ted Goot and Edward Curran.
- Princeton, Betty Giacquinto, Leland Gray, Emmett Costello, Edward Bridge and Emma Hess.

Younglove Again Given Vets' Post

Department Commander Antonio Kimaid of the Disabled American Veterans Department of New York again appointed Joseph B. Younglove to this city as a member of the legislative committee for the fiscal year ending June 30, 1954.

This is one of the important committees in veteran activities and the appointment of Mr. Younglove made today is a mark of recognition of his service in this field.

IORM Cancels Bake

The annual clambake of Teroga Tule, 569, IORM which was to have been held this coming Saturday, has been cancelled.

Bail Forfeited

Jack Brown, 27, of 155 First Avenue, Gloverville, forfeited a \$10 bail yesterday for speeding on Chestnut Street.

Greenberg Will Return As RPI Professor

Was Freed of Charge He Lied to Red Membership in Past

TROY — Dr. Jerome Mayo Greenberg, freed last month of a charge he had stated falsely that he never had been a Communist, will return to his post as Rensselaer Polytechnic Institute in September.

Dr. Livingston W. Houston, president of the institute, announced today that Greenberg would resume his duties as an assistant professor of physics.

Greenberg, 31, was indicted last Dec. 20 in Richmond, Va., on a perjury charge. The indictment said he had sworn to the FBI in 1945 that he never had been a member of the Communist Party.

Judge Sterling Hutcheson of Federal District Court in Richmond threw out the indictment July 23. The judge held that the three-year statute of limitations applied to the case.

At the time Greenberg was alleged to have made his statement to the FBI, he was employed by the National Advisory Committee on Aeronautics at Langley Field, Va. The government charged that he was a member of the Communist Party in Baltimore in 1943.

He has been on leave from RPI since last January.

Houston, in announcing Greenberg would return, said:

"The institute has conducted its own investigation of Dr. Greenberg's fitness to teach. In view of the results of this investigation and the action of the federal court and the government, Dr. Greenberg will resume teaching duties in September. His present contract has two years to run."

Coed Recovering From Overdose

WELLESLEY, Mass. — Miss Sylvia Plath, 20-year-old Smith College student, discovered in the cellar of her home yesterday after a 40-hour police search, was reported in good condition at Wellesley-Newton Hospital today. She is recovering from an overdose of sleeping tablets.

The girl was found yesterday lying in a cellar-like recess beneath the porch of her home hidden by a pile of kindling wood. An empty water jar and a bottle containing eight sleeping pills was found by her side. The bottle had contained 48 pills, police said, when it was taken from the home.

A search began Monday when the girl's mother, Mrs. Aurelia S. Plath, a Boston University professor, told police her daughter had vanished after leaving a note that she was taking a hike.

Stromberg Dividend

ROCHESTER — Stromberg Carlson Co., manufacturer of radio, television and telephone equipment, today declared a dividend of 3 1/2 cents per share of common, payable Sept. 30 to stockholders of record Sept. 15.

Also declared was the regular quarterly dividend of 50 cents per share on the 4 per cent preferred stock. Oct. 1 to stockholders of record Sept. 1.

Bertha Dekens Installed As D. of P. Deputy

Mrs. Bertha Dekens was installed as new deputy at a meeting of Mohawk Council, 338, D. of P., held Tuesday night in the rooms. She addressed those present.

Talks were given by Mrs. Katherine DaCoral, deputy of Onondaga Council, and Mrs. Rose Swart, retiring deputy of the Mohawk Council. The latter thanked members for their cooperation during the year.

The meeting was in charge of Pocahontas Pauline Roberts.

The charter was draped in memory of the late Mrs. Belle Borst. Reports were read by Mrs. DaCoral and Mrs. Irene Gardner.

Dinner was served by Mrs. Gardner and her committee.

The refreshment committee for next meeting will consist of Mrs. Edith Cromer, Mrs. Lillian Hauser, Mrs. Margaret Brothers and Miss Eleanor Borst.

Guards, Hunger Killed 1,700 In Commie Camp

BIRMINGHAM, Ala. — An Army sergeant said last night that 1,700 Americans, British and Turkish prisoners died of starvation or were killed by brutal Chinese guards in the prison camp where he was held.

Sgt. Ellis C. Jackson, who survived a 326-mile death march to prison Camp No. 5 in North Korea, told of being tortured because he refused to sign a statement that he believed in Communism.

Jackson is here to visit an aunt. Later he'll go to Meridian, Miss., where his mother, Mrs. Mary Jackson, and 11 brothers and sisters live.

The Negro soldier said his unit was surrounded by the Chinese and captured in November, 1950.

Two hundred of the 800 American, British and Turkish soldiers who made the march to prison camp died from starvation along the way," he said in an interview with the Birmingham Post-Herald.

Some of them were killed outright by the Chinese when they fell down from exhaustion. They were taken into the rice paddies and shot."

Jackson said that during the 32 months he was a prisoner 1,700 of his mates either were killed or died of starvation, from among the 3,700 who entered the camp in 1950.

16 Eastern Zone Rebels Executed

BERLIN — The West German government reported today that at least 16 East Germans had been executed as leaders of the June 17 anti-Communist uprising but said that its figures were only a minimum.

A survey by the Bonn Ministry of All-German Affairs said also that three rioters had been given life terms and 16 others had been sentenced to a total of 800 years in prison by the Red tribunals.

The survey covered only "proved and documented" cases handled up to Aug. 12. Two more life sentences were reported this week, and the Russians and their German Communist satellites have carried off several hundred additional rioters to unknown fates.

Meanwhile, West Berlin's handouts of free American food for hungry East Germans resumed in high gear today after an 11-day slowdown for reorganization.

Youth Nabbed After Fleeing Hospital, Stealing 4 Cars

ELMIRA — A 19-year-old youth was held in Chemung County Jail today after what police described as his escape from Binghamton State Hospital followed by the theft of four autos.

Daniel Temple of Elmira was held for return to Binghamton on a previous court order committing him for a mental test.

Police said Temple escaped yesterday and stole four autos to make his way to Elmira. State Trooper J. J. Mouthrop picked him up on Route 17 just east of Elmira last night.

Mouthrop said there was a loaded rifle in the auto, but the youth made no attempt to use it.

The youth was committed to the hospital Aug. 5 after pleading innocent by reason of insanity to a grand larceny indictment in connection with an auto theft.

Indict V. A. Chief On Bribery Charge

NEW YORK — James H. Gilhooly, 51-year-old fee appraiser and compliance inspector for the Veterans Administration, was under indictment today on bribery charges.

He was accused of receiving \$1,500 in bribes from two builders in Fishkill.

Gilhooly, a resident of Fishkill, works out of the Albany district office of the Veterans Administration.

The federal indictment charges that Gilhooly received the alleged bribes in the form of two \$750 checks from the builders, who had applied to the VA for certification making them eligible to sell property to veterans.

Gilhooly, who was not arrested, is scheduled to plead to the indictment on Sept. 2 in Federal Court. Property involved in the case was the Frog Brook Meadows Housing Project in Fishkill.

Oleomargarine manufacturers in the United States used about 213,428,000 pounds of skim milk in their product in 1952.

Slays Estranged Wife, Wounds Sons, Suicides

Jewelry Executive Ran Amok in Bronx Apartment

NEW YORK — A costume jewelry firm executive shot and killed his estranged wife, critically wounded their two sons, then committed suicide today in the Bronx Parkchester Apartments, police reported.

Police identified the executive as Jack Howard, 38. He and his wife, Ruth, 36, were found dead, and the two children, Stanley, 9, and Harvey, 5, bleeding from head wounds.

Police said they learned that Howard and his wife had been separated legally for about a year and that he had informed her it was "urgent that he see her today."

Police said they learned that Howard was found lying in a hallway with a gun under him. The wife's body was in the living room of the four-room apartment. The boys were found in the bathroom, with Stanley lying atop his younger brother.

All four had been shot in the head.

Police said the shootings took place about 20 minutes after Howard was seen entering the building.

Police said Howard's real name was J. B. Horowitz and that he operated a costume jewelry business under that name in lower Manhattan.

It was the third tragedy to strike the huge housing development in recent weeks.

A mother clutching a three-year-old child in her arms, plunged from a sixth floor apartment. Both were killed.

A doctor and his wife were found dead in an apartment with so-called "poison cocktails" on a table nearby. Police said the cocktail glasses contained champagne and a poison mixture.

Steno Accused In Girl's Death Taken to Mass.

SOMERVILLE, Mass. — Mildred McDonald, petite blonde stenographer, came home from New York under police guard today a few hours after the funeral of 14-year-old Mary Di Rocco — her ex-boyfriend's sister — whom she admitted killing.

The 25-year-old occupied a locked drawing room in the train ride from New York to Boston. She was accompanied by a state policeman and two detectives.

At Mary's funeral, the victim's mother screamed forgiveness for the confessed slayer.

Miss McDonald has admitted she shot, slashed and burned the child whose brother she "dated" before he married another.

Counsel for the frail-blue-eyed Miss McDonald indicated a plea of insanity would be entered in her behalf. In a statement signed in New York, the girl said: "I fired several shots as she remarked about the successful marriage of her brother. I took this as an inference that I was being belittled."

The slaying occurred in the Di Rocco home Monday. Mary's body was found in the cellar by her brother, Robert, 17. Miss McDonald formerly kept company with an older brother, Joseph, 25. He married another girl in April.

French Expect Vietnam Blow

WITH THE FRENCH UNION FORCES AT LAI CHAU, Indochina, French Union troops braced their defenses of this capital of autonomous pro-French Thai people today in preparation for a possible Communist-led Vietminh attack.

Gen. Henri Navarre, commander in chief of French forces in Indochina, and Gen. Cogny, commander in northern Indochina, flew here today from Hanoi, 200 miles to the southeast to make a thorough checkup of overall defenses.

Cogny said afterward he thought the Vietminh "would find it most difficult to attempt any large-scale attack here."

Both Cogny and Navarre traveled by jeep 3,000 feet up a rough serpentine road into mountains overlooking Lai Chau to inspect American-supplied French, Thai, Algerian and Senegalese troops who have been assigned the job of keeping it safe from the Vietminh.

Dulles Will Speak At Legion Conclave

WASHINGTON — Secretary of State Dulles will make a major policy speech before the American Legion convention in St. Louis next Wednesday, Vice President Nixon said today.

Nixon presided over a cabinet session which lasted two hours and then took over vacationing President Eisenhower's chair at a National Security Council meeting which required another two hours and a half.

Nixon said Dulles reviewed international developments at the cabinet meeting, touching on the Korean negotiations in the United Nations and the situations in Iran and Morocco.

Rochester Dealers Plan Milk Boost

ROCHESTER — The retail price of milk will be increased one cent per quart Sept. 1 by a number of Rochester dealers.

Charles J. O'Brien, attorney for the Rochester Milk Dealers Association, said the increase was needed because of "ever increasing costs which go into distribution."

The new price will bring standard home-delivered milk to 25 cents per quart, and homogenized to 24 cents. Store prices are usually one cent less.

Ike Indirectly Congratulates Shah of Iran

DENVER — President Eisenhower has in effect congratulated Shah Mohammed Reza Pahlavi, of Iran on the Royalist overthrow of the government of deposed Prime Minister Mossadegh.

The summer White House today made public an Eisenhower message to the Shah which took no note of the young Iranian monarch's bid for financial aid from any government — Russia included — willing to contribute. But it was phrased in a way which did nothing to rule out the possibility of United States aid.

The President's message said: "In the spirit of friendliness which has always been the basis of our relations of our two countries, I offer you my sincere congratulations on the occasion of your happy return to your country and my continuing good wishes for every success in your efforts to promote the prosperity of your people and to preserve the independence of Iran."

Press Secretary James C. Hagerty said the message was sent to the Shah "several days ago" through the U. S. Ambassador to Iran, Loy Henderson.

Asked whether the friendly sentiments expressed by the President meant this country is ready to respond to the Shah's plea for funds, Hagerty replied:

"I have no comment on that."

Gough Asks Ike To Reconsider 'Voice' Cuts

ST. LOUIS — National Commander Lewis K. Gough of the American Legion advised President Eisenhower today that Congress should reconsider "hasty and drastic" appropriation cuts for information programs abroad.

Gough here for the Legion's 4-day national convention opening Monday, made public a report he sent to the President on his 23-day inspection trip of Western powers' defense in Europe. He made the trip at the invitation of the President.

The Legion commander also recommended liberalizing of the nation's tariff and immigration laws.

Gough reported that while in Berlin he was disheartened by a seven million dollar reduction by Congress which "cut the heart out of our information program just when we were starting to take the initiative."

"This," he added, "seems to be false economy when winning the battle of peace is essential if we are ever to curtail the tremendous expense of continued rearmament."

French May Face Cambodian Anger

PHNOM PENH, Cambodia — Premier Pen Nouth said today he feared a rise of popular sentiment against France if negotiations for complete independence of Cambodia are not quickly fruitful.

"I wish with all my heart for rapid results," he said in an interview. "I will do all possible to calm my compatriots and maintain order, but if an agreement is not produced, I fear I cannot guarantee the result."

He said he had told the French authorities these several times, but they did not seem aware of the danger.

Pen Nouth said the negotiations being conducted here center on her own army, police and courts.

Cat Unworried By Cracking 'Barrier'

CHICAGO — Some members of the 62nd Fighter-Interceptor Squadron at O'Hare Field are calling Zero, their six-toed cat, the "Flying Tiger" — one of the first cats to have passed the sound barrier.

Major Richard Garrett, commanding officer of the 62nd, piloted Zero in a flight over Lake Michigan. When the plane broke the sound barrier at about 700 miles per hour the cat atop the instrument panel flattened itself out limply.

"But it didn't bother Zero at all," Garrett said.

Polio Kills Man in N. Y. Epidemic Zone

CORNING — Richard Horton, 31-year-old electrician from nearby Campbell, died of polio today at Corning Hospital.

Horton, stricken about a week ago, was the seventh to die in the epidemic zone of Steuben and Chemung Counties.

Mass inoculations of gamma globulin, a vaccine that halts the crippling effects of the disease, were administered to children between six months and 10 years old here early in July in an attempt to stem the epidemic.

'News' Columnist Crosson Succumbs

YONKERS — John Crosson, 53, veteran political writer and columnist of the New York Daily News died today in St. Joseph's Hospital, Yonkers.

He had been under medical treatment for about six months, and was taken to the hospital last night.

Crosson wrote a Sunday column, "City Hall," concerning city politics.

He also conducted a WPIX television panel show of the same name, consisting largely of interviews with New York City political personalities.

Rubber-covered racks are easier on dishes than those of the old wire. If you are buying one of these racks, make sure it has a smooth unbroken rubber coating that is fairly thick. Be sure, too, that the rubber is a type that will not be softened by grease or hardened by heat.
