WELLESLEY—State and local police, aided by 100 volunteers, intensified [intensified] their search today for 20-year-old Sylvia Plath, brilliant Smith College senior.

She disappeared Monday afternoon [afternoon] from her home in Wellesley after [after] leaving a note saying she was going for a walk. Authorities, who said a bottle containing 50 sleeping pills were missing from the girl's room, centered their search in the vicinity of Lake Waban and Morse's pond.
