**Missing Student
Found in Cellar**

WELLESLEY, MASS. —(AP) —
Sylvia Plath, 20-year-old Smith
college senior, object of a wide-
spread [widespread] search since Monday, was
found today semi-conscious in the
cellar of her own home.

She was taken to Newton-Wel-
lesley [Newton-Wellesley] hospital where officials list-
ed [listed] her condition as "fair" and she
said she had suffered "no apparent
serious injury."

Authorities said the girl was lo-
cated [located] by her grandmother who
said she was attracted to the cellar
by moaning sounds. She said she
found her granddaughter wrapped
in a blanket.
