**Smith College Poetess
Object of Wide Search**

WELLESLEY, Mass., (UP) —
The search for a Smith College
poetess was stepped up Tuesday
after it was disclosed she carried
a bottle of sleeping tablets when
she disappeared from her home.

"Big Sid," the state police blood-
hound [bloodhound], was unable to pick up the
trail of Miss Sylvia Gath, 20-year-
old student who vanished Monday.
And a 50-man posse was unsuc-
cessful [unsuccessful] in a search of wooded
areas and ponds in the vicinity.
