Missing Girl Found in Cellar

WELLESLEY, Mass. Aug. 26—
(AP)—Sylvia Plath, 20-year-old Smith
college senior, object of a wide-
spread [widespread] search since Monday, was
found today semi-conscious in the
cellar of her own home.

She was taken to Newton-Welles-
ley [Newton-Wellesley] hospital where officials listed
her condition as "fair" and said
she had suffered "no apparent se-
rious [serious] injury."

Authorities said the girl was lo-
cated [located] by her grandmother who
said she was attracted to the cellar
by moaning sounds.
