STUDENT RECOVERING

WELLESLEY, Mass. — College Honor Student Sylvia Plath, 20, was reported in "good" condition today after taking an overdose of sleeping pills. Newton-Wellesley [Wellesley] attendants said the Smith College student, found in her home after she had been listed as missing for two days, was responding to queries put to her by physicians. She would not tell why she took 40 to 50 sleep capsules.
