### **Missing College Girl Found in Own Cellar**

WELLESLEY, Mass. Aug. 27.—  
(AP)—Sylvia Plath, 20-year-old Smith  
college senior, object of a wide-  
spread search since Monday, was  
found yesterday semi-conscious in  
the cellar of her own home.

She was taken to Newton-  
Wellesley hospital where officials  
listed her condition as "fair" and  
said she had suffered "no appar-  
ent [apparent] serious injury."

Authorities said the girl was lo-  
cated [located] by her grandmother who  
said she was attracted to the cellar  
by moaning sounds.
